I would like to thank all of the Alumni who have contributed to our house and/or those who have been reading the E-Angelos and keeping up with the house. We have been working hard to keep the house in order and keep our brotherhood strong. Alumni have been a huge part of our house and we would like to do more for our alumni than we have in the past. I would personally like to ask if you know any alumni that might not be receiving the E-Angelos to pass it along to them and have them contact me. Also, if there are any alumni that do not keep up with our house or who might have changed addresses, please contact me to update your information and to allow me to contact you for future alumni events. Thank you.

In ZAX,  
Eric Abel (LE 1184)
